

August, 2026

Since 1983, the Friends of Mt. Tam (FMT) have been volunteer ambassadors in support of Mt. Tamalpais State Park. We are the park's official fundraising partner, working closely with State Park personnel to enrich its visitors' experience through education, interpretation, volunteering, and stewardship.

- **Mt Tamalpais State Park Tribute Tables Program**

Friends Of Mt Tam (FMT) and Mt Tamalpais State Park (MTSP) have partnered to bring you the Tribute Table program. This is your opportunity to celebrate a milestone or a loved one, pay tribute to someone special, demonstrate your support to MTSP. The 8-foot-long picnic tables are made of solid redwood, can be custom-engraved, and are to be enjoyed by you and all park visitors. Their availability may be limited. The donor may express the desired location for the table. But MTSP will have the final say in this matter.

- **Donation**

For a minimum donation of \$5,000, your redwood picnic table will be placed at a location to be determined at the sole discretion of MTSP. All proceeds go to Friends of Mt Tam in support of Mt Tamalpais State Park. FMT is a 501(c)3. Your donation to FMT is tax-deductible to the extent allowed by law. Our tax ID is 94-3027663. Lead time for delivery is at least 90 days from the time of payment.

- **Dedication**

The table can be engraved with 2" letters into the cross-timber on one end of the table. The engraving can have 2 lines of up to 32 characters each. A character is a letter, number, space, punctuation, or a special character. To ensure these requirements are met, please use attached spreadsheet as a template. The language to be provided by the applicant must be approved by MTSP.

- **Disclaimer - Life of Tables**

Tribute Tables are for use by the public. Their useful life is estimated at 15 years. Due to inclement weather or other unforeseen factors, MTSP cannot be responsible for the life span of the table. If the picnic table is damaged, vandalized, or in any other way rendered to be unusable, the donor will be given the option to replace or repair the table at the donor's cost.

Applicants are encouraged to look at picnic tables currently in use at MTSP and decide whether they can accept the potential risk of damage to their donated table that is inherent to a picnic table for public use.

- **Next Steps**

If you have further questions, please email us at friendsofmttam@gmail.com with TRIBUTE TABLES in the subject line and your phone number in the body of email. We'll get back to you usually within 3 business days.

If you are ready to proceed, please mail your check to: Friends of Mt Tam, P.O. Box 7064, Corte Madera, CA 94976. Upon its receipt, FMT will send you an acknowledgement and order the table to be delivered to MTSP.
